Company Profile (150 words)

Established in 1999, **Incredible Tours and Travel** provides shuttle services, safari holidays, conferencing, events, day tours and passenger transportation services based on local expertise and the world quality.

Incredible Tours and Travel operates from Rosebank Johannesburg South Africa and is well positioned geographically to offer a full range of services to you as our client within the greater Africa. We have established great relationships with our ground operators and airlines, offering competitive and professional prices. Incredible Tours and Travel is innovative and creative -no request is too bizarre!

Every itinerary is tailored to suit your specific needs. Extensive first-hand knowledge of Africa means we are able to offer trustworthy suggestions according to your specific requirements-because we've been there. We guarantee efficiency in response time. Once a tour is booked and confirmed, you will be allocated with the same consultant to handle the tour throughout. Incredible Tours and Travel believes in its services that are customer orientated, safaris and tours that are different and value for money. We support products and services that have a high service excellence, focus on authenticity, quality, hospitality and charm.

By combining our extensive knowledge of Africa with our clients' specific expectations, **Incredible Tours and Travel** produces innovative and exciting tours, resulting in clients' total satisfaction. Incredible Tours and Travel feels as strongly
